Introduction & Captains

- ❖ In our eighth game of the season we played Hampton rovers. We had a reduced team of 16 players. playing 12 on the ground as Hampton only had 14 players. Some of our girl were rostered off so thank you to all for being positive and supportive to the team.
- ❖ Co-captains **Alice Bell and Ella Schreuder** lead the team, taking on a leadership role. Both did a great job with speeches just before the game. giving instructions about kicking goals, giving 100% effort, winning the ball and working together as a team.

First Quarter

- ❖ The first quarter was a close encounter where no one scored. There were many great passages of play where both team ran the ball around the ground showing good development in tackling, kicking, marking and handballing. However, Port were only in second gear and were starting to warm up after the holiday break.

Second Quarter

- ❖ The second quarter was again a tough battle where only a couple of points were scored to each team. The girls fought hard and had a couple of opportunities to score goals that just missed. Our effort was excellent with the team working hard to win the ball, we dominated the quarter keeping the ball most of the time in our forward line.

Third Quarter

- ❖ The third quarter was dominated by the colts We moved the ball quickly into the forward line with many great passages of play demonstrating great team work. Displaying many skills that we have been practicing at training. This being to win the ground ball, with quick handballs, long kicks that hit the target, strong marking, picking up opposition players and strong tackling. We kicked three goals two points to gain a handy lead.

Final Quarter

- ❖ The final quarter was a battle, as Hampton to their credit came out fighting to try and get back into the game. They were able to keep the ball in there forward line and had a couple of shots for goal but our defense stood strong and kept them goalless. We also moved the ball out of defense into our forward line scoring two more goals. Well done colts in having an excellent win against an improved Hampton who were very competitive.
